

I'm white with yellow and only made once a day.

I've gone meatless but still need a good SCRUBBING!!!

I'm dead but beautiful. I once stood proudly and even marked the way!

I am made of metal but still float. (But don't forget the plug!!)

If you don't behave this could become your new "house".... (bring the "TP")

Around, around, and around we go.....

I'm white and I weigh 4,838 lbs..... PLEASE Wash me!!!

Double or NOTHING!! Put your money where your mouth is!!

We have 4 wheels but no windshield.

You'll see the last of me on April 11th at 7pm. "Check Yes or No"
