

Find something you can recycle.

Find something that comes from a tree.

Find a piece of paper and draw your favorite animal.

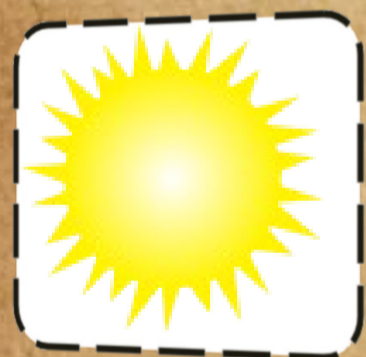

Find something that is orange.

Find one of these shapes in nature: a square, a circle, a triangle or a heart shape.

Something with holes.

Something shiny.

Shake hands and say hello to someone on your way to look for your next clue.

Bring back something you think nobody else will bring back. (no glass items)

Come back and sing your fav song, meet us in the theater.
