

You can take me in the morning or at night.  
I make you big and strong so you won't get sick

Now your on your second clue these go on  
before your shoes

If your in a hungry mood go here first and  
get some food

If you want your teeth to shine, pick this up  
and spend some time.

Keep it clean and keep it dry. Can you  
guess? Come on just try.

If you want to learn and grow, turn the  
page, get in the know

Take a walk and step outside, this is where  
you go to ride

People climb on me and birds make nest in  
me.

You're almost at the very end, but this is  
where your guests come in.

Your at the end. Where can you go to  
celebrate and jump real high?
