

Find chalk (outside shelves) Write your name on the driveway

picture of a spider web

run around the house outside 2 times.

one worm (container or picture)

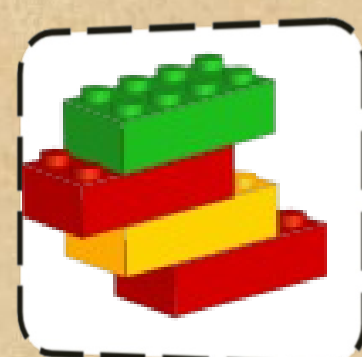

Find 3 rocks that are almost the same size

1) measure one cup water 2) dye with a marker

take a picture of the reddest tulip!

1) pick out 20 legos 2) then build something new

Using just things in the basement (you can take down 2 blankets and clothes pins) try and make a fort!

Count how many tulips we have...keep track with x's on the driveway with chalk
