

HAPPY BIRTHDAY!

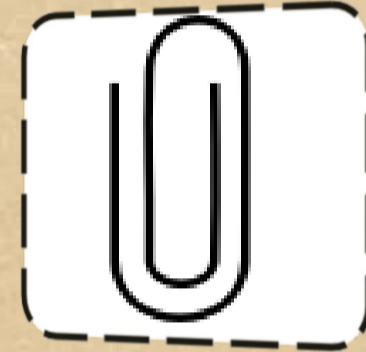

Even plastic ones will do.

When you fall and skin your knee, what do you need to stop the bleed?

Just one colorful piece will do to make this pretty picture come true.

I love to fasten the pages together.

You'll need this type of ball to play the sport of tennis.

Find something that starts with the first letter of the birthday girls name.

They are everywhere if you look in the right place.

See if the post office dropped off a letter for YOU. (check in #1 only please)
