

# HAPPY BIRTHDAY!

Once upon a time, there was a beautiful princess named Snow White. She lived in a big castle.

Snow White was a wonderful person, but she was lonely, and longed for a companion.

Her mean stepmother, the Queen, dressed Snow White in rags and made her scrub the floors.

Every day, the Queen asked, "Mirror mirror on the wall, who is the fairest of them all?"

One day, the Mirror answered, "Snow White." The Queen became so jealous, she sent Snow White into the woods.

Once she was in the woods, she met lots of friendly forest animals that led her to a tiny cottage.

The cottage was a mess, but inside were seven little beds. Each bed had a name carved on it.

Doc, Happy, Sneezzy, Dopey, Grumpy, Bashful, and Sleepy were the names of the seven dwarfs.

Snow White's evil stepmother disguised herself as an old woman and tricked Snow White into eating a poison apple.

One day, a Prince came by and kissed Snow White and woke her from the deep sleep of the poison apple. They lived happily ever after!
