

Ask your therapist where the stopwatches are located. Please grab one and proceed to step #2.

Start the stopwatch with your affected arm, if able.

Find the PT licenses above the water cooler. Determine when your PT received their Texas license. Write down the year.

Take yourself to the "Quiet Independent Study Room" and stop the stopwatch.

Write down your time and tune the radio to your favorite station.

Find a bottle of shampoo and place in the ADL apartment sink.

Find 3 button down shirts and place them in the washing machine

Place a sticky note on each of the doors on the treatment floor. Find out your OT's favorite restaurant.

Count how many computers there are on the treatment floor. Subtract the number of tables.

Tell your PT in what year they received their license. Ask your OT where they went to school.
