

HAPPY BIRTHDAY!

Write down the number of fire hydrants in our neighborhood. Divide the number of fire hydrants by 2 and write down the answer.

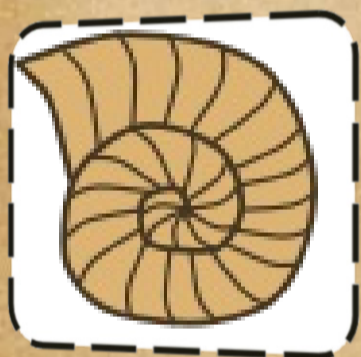

Collect 16 gems hidden around the playground.

Find and write down the name of an object that begins with each letter of the birthday girl's name.

Tell each other a scary story in the playhouse on the playground. Write down the title of each story.

Collect six things that are alive or that were alive.

Run around the oval street in front of the birthday girl's house five times.

Find four cars and write down the name of each one. (Hint: The name usually is written on the back of the car.)

Collect 8 different types of leaves.

Write down the name of each person's favorite song. Then each person sing their favorite song to the group.

Find and write down the names of objects that match the colors of the rainbow. (Hint: R-O-Y-G-B-I-V)
