

Find someone who speaks another language and ask them to teach you how to say Nova-Tech's purpose in that language. Record the team saying it and save it to the Scavenger Hunt File.

How many countries does Nova-Tech have customers in? What was the latest country?

Find the nameplate of the Engineer with strengths that no one else has and save the picture to the Scavenger Hunt File.

Take a picture of the answer to the following riddle and save it to the Scavenger Hunt Folder: It goes before "food" for things we routinely eat. In an office it has two bent legs, but never any feet.

Write the date of the first NTE patent:

Take a picture of the answer to the following riddle and save it to the Scavenger Hunt File: This item has handles, but isn't a car. It has pointy ends, but isn't a star.

Take a quick video of a team mate doing an impressive trick shot with a wad of paper into a trash can. Save the video into the Scavenger Hunt Folder

Locate a Scrum Master, record them saying what the best part of scrum is (besides a reason for their employment) and save it to the Scavenger Hunt file.

Take a picture of the name plate or room plate that displays the name of a football team that will probably not go to the playoffs this year. Hint: I'm sure you can easily think of the answer I was looking for, but if you think a little harder, you can fire this one back at me.

Find someone with a tattoo. Take a picture of it and then draw with pen or marker the tattoo onto another team member and then take a picture. Save them both to the Scavenger Hunt Folder.
