

Where you learn your ABCs and take naps after lunch, this place is the home for a very large bunch.

Where many tasks are completed and copies are made, the clue will be hanging on the window today.

This room is filled with many aromas midday and sounds of children who are ready to go out and play.

This structure is octagonal and lined with benches. Be careful when entering, as you may see some witches!

You climb towards the sky, then glide to the ground, this is where clue number 3 can be found.

Why did the toilet paper roll down the hill? To get to the 'bottom'! There is TP abound in this location (just keep it out of trees, please)...

In this room is a leader and teacher. She rules the school and it's sight words she preaches.

Diggers, dump trucks, and blocks there are plenty. Under 1 of 5 tables you'll find the last clue to winning.

What did one flag say to another? Nothing, it just waved! You can find one of these on every US school campus...

GREAT JOB! You should have found and recorded nine Halloween clues.. Return your paper with all clues for a spook-tacular prize!
