

Moaning Myrtle is looking for you, a girl,turned cat,is hiding in a stall which you will find near the dining hall.

Frogs are amphibians; they don't like to be dry; look where they hop and you're sure to stop.

The students of Hogwarts love their Quidditch but it's hard to win sometimes you have to grab a paddle and just dive in.

Hedwig was one of these and most have their house in the trees.

These are delivered when it's time to eat; Ron Weasley's mom sent him one of these
