

I am a sweet, cold treat to cool you off on a summer day!

Wear us on your feet on a hot summer day.

Wear me on your eyes when the sun is bright.

I come in lots of colors - I start off as a caterpillar but change into a...

I am round. Bring me to the beach and toss me around.

I live in the ocean but you can find me in an aquarium too.

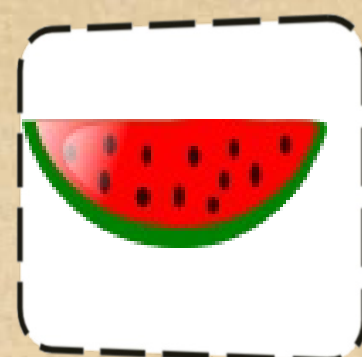

Look down on the sand - I come in all shapes and colors.

Don't forget to wear me on a sunny day so you don't get a sunburn!

We are made of plastic. We can help you build a sandcastle!

I am large and green on the outside but red and juicy on the inside.
