

These start off green and then fall, they grow on trees some big some small. Collect 4 or 5.

Pine Cones grown by elves are very small and they have magic powers. Can you find a few?

A few small pieces of moss or grass.

A few weeds or flowers.

3 or 4 acorns or caps.

A few things a squirrel might save for winter.

4 stones

A few small sticks.

Dogs may do this but trees have it. Find a few pieces.

The Birds all wear these as a coat it helps them fly and they also float.
