

I can be found where the roses grow... & they make sure that my feet don't smell, only my nose....

Flowers on the head are just one way to show your Aloha spirit, find me by the diamonds & courts(#3)....

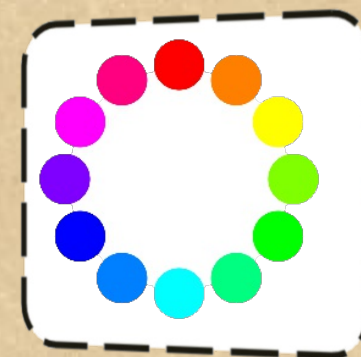

I'm made of grass but you will find me where the monkeys live....

I am a coconut/shell top & I am hanging around with the "hoops"....

I "lei" around your neck & can be found by the never ending flame....

Important! Teach your Hula girl to hula!! Find the hula hoops.... (Tiki hut)

Once your "Hula girl" is dressed, take her picture with the birthday girl
