

find something green and leafy that's were
you will find your botty

look at the TV then look below it.

now this is fun its in some where you will
never guess your only clue is food

in a room under a bed that's your food now
go BOO

find your candy in a hole.

now you will look for something brown and
comfortable under there is your candy

in a tree might be your candy.

and now is some where easy where is you
pencil

now where is your wii and your candy

in a drawer is your candy but now hurry so
you can party
