

Write down 5 things you see that are blue.

Count the number of flowerpots around the outside of the house. Take that number times 2 and divide by 4.

Find the hidden tattoo box and give everyone on your team a tattoo.

Write the middle name from each teammate. Take the second letter of each name and create the longest word you can.

Find 10 different items from nature. (i.e. pine needles, rocks, clovers, leaves, etc.)

As a team, sing the chorus of your favorite song.

Sing the Happy Birthday song to Chloe.

Find the hidden envelope in the backyard. Open it and do what it says.

Create a short "tribal" dance for your team, decide what it is for (i.e. a rain dance, harvest festival dance, etc.) and perform it.

Find something that grows into a plant or fruit.
