

You will see these all around. You can climb me up very high. But be careful so you don't fall.

Next, you can find me where the car drives by. Don't get me in you shoes because I am very hard to get out.

Soon you will see me everywhere because I am tuning colors. I am on the thing you found in clue number 1.

Now it is time for clue number 4. You can almost fly on me. You have to push your legs though.

Next, go and find something that is green. It will be kinda hard because it's fall.

Now go through the woods and down the trail and look for a fake animal. He is there somewhere.

Come on you can do it your almost there. Now go and find the place where the mailman comes to.

Next, go back up the hill to the place where you will see the thing that goes vroom.

One more to go after this! You are doing so good! Go to the place were you like to hide.

Last clue! after this you will find a surprise! go to the place where you will find a bunch of white.
