

Say hello to three people as you pass them.

Where is somewhere you can go to meet Someone new? (Take a pic)

Hold the door for someone.

Where is somewhere that you can go that is quiet? (Take a pic).

Say excuse me when passing someone.

Where is somewhere that people often shake hands. (Take a pic).

Introduce yourself to someone new.

Where did you hold the door? (take a pic)

Say thank you to someone who has done something nice.

Where do people go to sit and chat? (Take a pic).
