

Where do you go if you are in trouble or if you have an absent note to give Mrs. Koestner?

Where do you go if you are sick?

Where do you go to kick a ball or run around?

Where do you go to cut wood?

Where do you practice talking?

Where do you eat lunch?

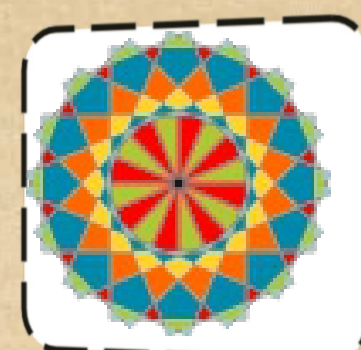

Where do you go to get a book?

Where do you sing?

Where do you make food?

Where do you draw?
