

HAPPY BIRTHDAY!

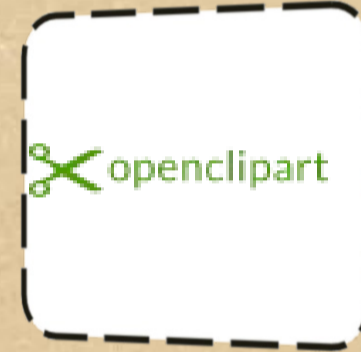

It is hot here but Thanks God I am under the shadow listening to the birds by the flowers who like the sun.

Oh Boy help me !!It is wet here as the telephone splashes me!

Someone is sitting on me but I like to watch TV!!

Sometimes I am slippery sometimes I am dusty... You had better vacuum me!

I like wearing uniforms and I hide in the kids room.

I can give more than one,twins,triples.I can give you as many as you like but I am in a boring office.

Let's party now! I am waiting where you can find cold snacks!

Here I am! Congrats!

HAPPY BIRTHDAY CHLOE
