

Shiver me timber! The treasure is hidden where you'll never see, uncover the clues and see how lucky you will be!

The pirate flag can look scary to you, the one at your school is nicer: red, white, and blue.

Find the beach with buried treasure, where you will find more clues for your pleasure, now it's time to look beneath the land, and use a shovel to dig in the sand.

Yo ho, yo ho a pirates life for me! Pirates love to sing, mon matey! Find something round that makes lots of sounds.

You can go here and sit quietly for a while, you can read and you can smile

This place is private so don't try to see, its where you go, when you have to pee

We wash our hands and wipe our feet it's where we go when it's time to eat!

You are almost there! But first you must get your things and go up the stairs!

If you want to go please do not, find an X which marks the spot!

You found the treasure now you must share, for if you don't you better beware!
