

Mission #1: If you can read, this would be the place to be! Look right, then right, the right at the bottom.

Mission #6: Similar to #5 but not quite, but at least you can see the price is right!

Mission #2: I will greet the visitors and answer the calls, as I sit next to the walls.

Mission #7: In this room you can catch a break and then grab a soda to go.

Mission #3: In this room you will stay active and maybe play a game. Then look a place that you can grab a cold snack!

Mission #8: You can go out me and take a right in a vehicle with flashy lights!

Mission #4 Come out and get some air in a place surrounded by walls. If you sit a spell you will do well!

Mission #9: Across from where you might do therapy sit's a room with ladies of three (three letter room)

Mission #5: The main place to come and eat, listen to birds and make some music. Open up to the music!

Mission #10: In the hall on my way to do some laundry I might go punch one of these at the end of a day.
