

You need to find 5 pine cones!

There are 10 paper carrots on your journey

You will need to find 6 coloured eggs! make sure you only have 2 of each colour!!!

There are several chocolate coins the more you find the better you will be!!

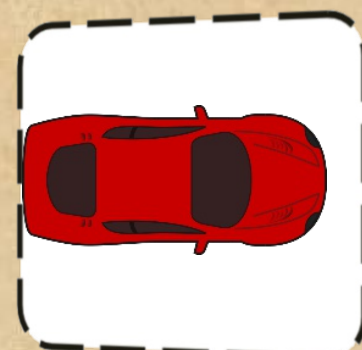

Only one sucker per team to be found!! Look high look low, you never know!

One purple marker will be seen down below, sticking out of the ground and you hit it with your toe!

Please please find me!! I want to go home:(

One Red car and one blue. You will also need to keep your eyes open for the white one too!

Find one sock, find two and then find the shoe!!!

there are painted rocks on your trails, you need to find 2 of each colour! But how many colours are there!!!
