

A lei you will need to find that has beauty and scent.

This you will find where cool refreshing drinks are served.

Protection for your eyes you will need as the sun shines bright in Hawaii.

Fun on the beach is such a relief.

To float on water while relaxing your body and enjoying a drink.

Easy on easy off without confining your feet.

This flower grows wild in Hawaii

Walk on the beach and see what you find.

This will protect a man from a sunburned head.

A treat so sweet you cannot beat.
