

Follow the pine trail starting upstairs. At the end, collect a pair of mittens.

Find another object the same color as the mittens.

Take your objects and put them in your collecting box. To find this, look where you put your shoes.

Inside your box is an object. Put this object back where it goes, and then find an object that starts with "s".

Put your key and your object on your bed. Pick one animal on your bed.

Put your animal with a light-up snowman. Pay attention to the color of the snowman when you put your animal down.

Find an object with that color. Put it in your stocking. Take the other object out of your stocking.

Turn to page 12. Find an thing noun on that page. Get it from the house and put the book back on Hannah's shelf.

Grab the toy on the shelf and put it in your box. Bring your box to your drawer. Put your favorite socks in.

Bring your socks to the laundry room to be washed and dried. Check the machines to see if other clothes are in.
