

Santa just loves Palm trees, decorate your own "CHRISTMAS IN JUNE" palm tree.

Rock around the Christmas tree as we play musical chairs and see who is the last one sitting.

Even though it doesn't always snow here at Christmas, we sure love it when it does. Create your own snowflake!

Play pin the ornament on the tree. See who gets their ornament the closest to the star.

Red and green are the colors of Christmas. Guess how many red and green m&m's are in the jar.

Have a holly, jolly time while we play Holly, Jolly ball outside.

Play the pass the gift game while listening to some Christmas tunes.

Time to make Santa's favorite treat. Design your very own candy cane.

Christmas time is usually cool and even cold, have yourself a sweet treat to celebrate "CHRISTMAS IN JUNE!"

Color and decorate your Elf on the beach picture. Be creative!
