Here is your first Mission: Go to the box that is full of sand -- yet it is not for building castles.

Second, Once you are there, capture the intensity of the game that is played here.

Third, Run HOME and Score.

Fourth, Capture the smiles on the faces as they round the corner on their way HOME.

Fifth, Head out to the dock to see if you can find any animals flying.

Sixth, Capture your team luring in those flying creature.

Seventh, grab a group photo next to the entrace where you leave the land of Normal. Eighth, head on over to the place where kids get to take a break from grown ups and monkey around.

Ninth, capture a little bit a teamwork while you play on this ground.

Return to the space where we started this race!
