

HAPPY BIRTHDAY!

I am black and white and read all over. I was printed yesterday. I must be complete.

Video members of your team rapping a happy birthday song to Jenna

I let you know how your team fairs against the competition. Take a picture of me with a team member.

I'm green and hard as concrete. Take a picture of my middle with a team member.

I start with a T and end with ---t. You need me and something to hang on. I must be old with at least one hole.

I tag a car as that is the law. I must have a J in honor of our host. Take a picture of me.

It is a birthday celebration. Get an adult you do not know to sing Happy B-day to Jenna. Video it. The older the better.

I am small and round and worth the least. See what you can get for me - from anyone.

My name is George Washington. Collect as many of me as possible as a birthday present to Jenna. You can't get more than one from one person.

I enforce the law. Take a picture of me or my car. Bonus: Video me singing Happy Birthday to Jenna.
