

I spy with my Christmas eye a green eye lady.

I spy with my Christmas eye a happy snowman.

I spy with my Christmas eye a sleepy Santa.

I spy with my Christmas eye a sump pump.

I spy with my Christmas eye a princess in a beautiful red dress.

I spy with my Christmas eye a girl at the beach.

I spy with my Christmas eye a desk organizer.

I spy with my Christmas eye a colander.

I spy with my Christmas eye a funnel.

I spy with my Christmas eye are the hands of God.
