

Get in the car with the driver!

You must do everything the driver says, and follow this list.

Take a picture everywhere you go!

1- One of our favorite places to eat.

2- The place we watch you be a star!

3- The place we confronted her, and she was no longer with us three.

4- The place you had laxatives for the first time!

5- The only class us three had together.

6- The place we first met!

7- The place us three usually end up hanging out at! :)
