

Spot Spot the dog. Please ask the owner if you can pet Spot.

Collect one manzanita leaf. Look on the stems for something that looks new to you.

Find some poison oak and stay away from it. Note how and where it is growing. What are the leaves like?

Draw your favorite Warriors character. Do it MEOW!

Find signs that a mammal was here (non-human mammal, please). Why don't we see it now?

Look for a good place to spot a reptile. Why is it a good place? Any reptiles?

Find a plant that is in a very dry place, but still has green leaves. Figure out how it's alive!

Find some moist soil and examine what is growing there. Look for signs of nibbling.

Take a small sample of soil and hand texture it (drops of water help a lot!). What habitat type is here?

Play "Stump the Chump": Find something to ask about in nature that Theo won't be able to answer.
