

you will find this where you sleep (hint:it is the room closest to the stairs)

this is where you pray

now you shall go where you go to eat (hint:this table is round)

this is where you go to the bathroom (hint:it's on the middle floor)

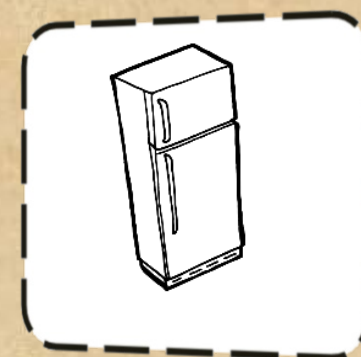

this is where you change your cloths (hint:in my parents room)

this is where you you watch something to entertain your self

this is where you can find anything in the world

this place is cold and stores food

this is where you sit it is white and made of leather

this is where you leave and come its blue and at the front of the house
