

I am near the oak tree.

I am near a place where lots of things are stored.

I am near a place that gets a visit everyday except on Sundays and major holidays.

I am near a place where only strangers go.

I am near a place where geese love.

I am near a place where I can sit and rock a baby to sleep,

I am near person born on a holiday.

I am near a place where the car belongs.

I am near the large sitting area.

I am near a place that makes all the neighbors hungry.
