

# I LOVE YOU MOM

At the very end of the day, it's the place we go to play. Round and round we spin. Follow all of the clues to win.

Go back inside. There is no doubt where all the cold doctors hang out.

Walk slowly to this room and have a seat when it's time to relax and eat.

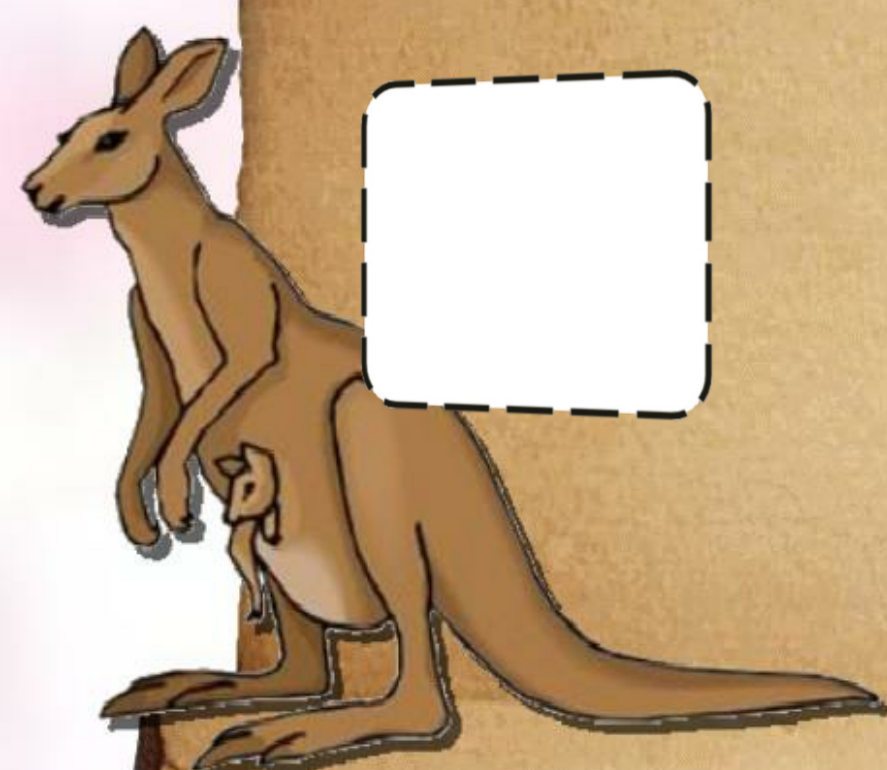

When you're invited to check out a book, this would be the place to look.

The final clue can be found near Mrs. South in a dish that's round.

Spring has sprung, the sun is out, go to the place we planted out sprouts.

# HAPPY MOTHER'S DAY!
