

First things first: you will find me at the place where I quench my thirst.

Feeling stressed; where would you go to rest. Calmest room in the building.

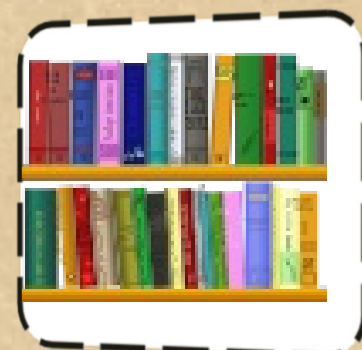

You will find me in the last row of the auditorium; the place where we assemble.

Oh what a pain; you will find me where bicycles are chained.

Use your muscles: you will find me in a sandy pit where kids make sandcastles.

The next place you need to look, is the place where you can find a book.

How do you feel; next item is near a big, BIG wheel.

The next clue will be a treat. Look for it where you get something to eat.

You sure are keen. Let's visit someone Green.

You will find me in a metal sculpture near Galileo.
