

Wake up and see something shiny and round on your desk.

Find a wooden dresser and look inside the longest drawer.

Search for something sweet, but don't catch get freezer burn!

Find a black and shiny surface and see if you can discover something sparkly!

Something in the bathroom that your sisters have been promising you for years!

Not sure if Julie or Kit will share them with you, but if you ask nicely...

Two more treats, both sweet, are hoping you'll tickle the ivories in the living room!

Find something sticky in the honey cabinet!

We can't turn back time, but we can always stop and smell the roses!

Is it Milo, or something else lurking under Papa and Mama's bed?
