

Take a ride to this room and have a seat,
when its time to relax and eat!

Here the wall spouts, spraying the water
out.

The place to go if you want a fresh tomato!

Up and down, people climb these everyday.
You may have seen the clue and passed it
anyway.

I am a home where billy goats and trolls
roam.

Before you leave, you may stay here for
some peach and rest. Everyone knows, this
room is the best.

I'm gray, I swim, and a weird man is on my
fin!

I have a sink, microwave and chairs, and a
full set of cookware.

You may have a scope in your nose, but
you will be mesmerized by the machine
that glows.

I have a face that doesn't frown. I have no
mouth, just a familiar sound.
