

Look out the window and find 1 "space" bird and draw a picture of it.

Run up and down the steps 4 times.

Find Legos or other blocks and build a tower as tall as you.

Are you thirsty? Get a drink of water.

You are an astronaut on a space station. You need to stay fit. Touch your toes 15 times.

Get an old towel, pretend it's a cape and fly around outside the space station.

Go in your room and find something with wheels. Play with it for 5 minutes.

Look outside and see if you see any space aliens. They may be disguised as rabbits and squirrels.

Find 3 space rocks in the yard and bring them into the space station.

Congratulations! You are promoted to space captain!
