

#1 A stick to help you walk and fight off stray dragons is what you'll need.

#2 Dragons eat horseshoes, find one to keep him happy.

#3 Something that falls from a tree, that squirrels fight over.

#4 Find an old woman and ask for a snip of her hair to go in a dragons brew.

#5 A hand print on paper using mud is what you need.

#6 Clover, dirt and some wheat to finish your dragons brew.

#7 Three tiny white rocks you must find to put in the dragons mouth.

#8 Find a flower for that special someone.

#9 Long ago and far away someone lost a magic penny. It must have the date 2000 on it.

#10 I live in the dirt under logs and rocks. The colder it gets the deeper I go. *Extra point*
