

I like to come to parks when there is food on the ground.

Weeee.

Look up a pole.

Some one had to ride.

I provide shade for little kids.

These aren't just any flowers. These flowers are yellow.

Trash. Garbage. Waste.

Its like a chair, but more people fit.

I'm thirsty. Where should I go to get a drink?

I'm a berry, a nut or a fruit.
