

if you go to the end of the hall turn around and look dead ahead you'll see where your bag is

if you go down stairs you'll see the biggest string and percussion instrument and next to it a mini cub-bard

stay downstairs and look to the other side of the instrument your bag is "all packed up"

go upstairs but stop when you face the fridge, is that a picture or a...

if for some reason your hungry you can heat something up in one of the 3 that are all together

before you eat be sure clean up...

here you can make it warm at night or even make a treat when it has been lighted

here you can be protected from rain, go anywhere, or even sing along

our four-legged friends need water, food, and treats that's where you'll find... i think you know...

and after a long days work, run, and play you can rest your head on a bed made of fur
