

Look around the tool used to clear the driveway of snow.

Search high and low near the place where you might find lots of outdoor equipment.

It might be too cold now, but look around the thing that makes the perfect hamburger patty.

You'll find the next hint where you've got mail!

You walk on it, but now check under it.

Exactly 10 steps from the front door and 5 steps right you will find the next item.

Look around the silver vehicle that is not a car nor a truck nor a van.

Look around the thing that grows upwards that you can climb.

The next clue is hidden close to something you can see through but not pass through.

Look around for hidden coloured ice cubes - collect them for extra bonus points.
