

Its important to stay up to date with what is going on at the campus; inservices, events, ect.

Fresh water is extremely important for ones health...Go to the main dining room to refill my water please

Accurate Weights help prevent serious health issues...please obtain my weight

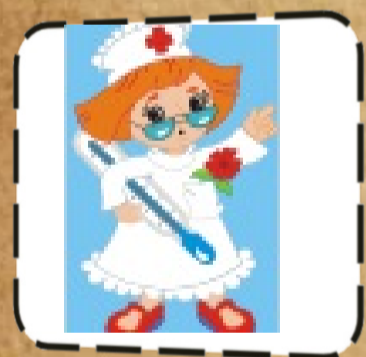

Some people carry brief cases to work instead we change briefs....bring me a clean brief

After taking my meal order turn it in to the kitchen

after a shower is the best time to apply lotion....go to center supply and locate the lotion

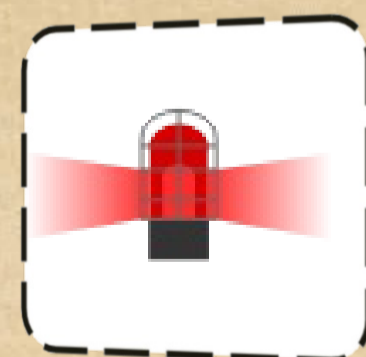

you have noticed that one of your residents has had a change in condition....who do you notify? (nikki is your nurse on duty)

You noticed the table is broken; put in a work order in the workroom

ADL documentation is mandatory-go to the kiosk on LL

Answer call lights timely and with respect
Answer my call light in room 227
