

Here we are and another year has passed, and yet another adventure awaits you. To begin your hunt you may start by going to the place where maime and pops retire for the evening... You might consider looking closely at Pops newest creation, or as maime says, "Rediculous Idea"...

Now your adventure may take you to the farthest part of the estate from where you stand now, look for the name "Dewalt"

Now we must up the stakes a bit, now lets test your climbing skills, shall we... in fact, the only way to enter this part of the house is to use a ladder, good luck
