

Go to the spot where we look in the sky, but look down low don't look up high the diamonds you find will be hidden there take one from the box but beware!

Now venture up on the pirate ship be carefull it does not tip, look around until you see a hat then take a bright feather from where it's at

You must find a ruby that's hidden and red, beware of the pirates or you will be dead. The last place the rubies were seen was among the trees in lot 13 , take 1 and close the box when your done

Now pirates like to trick so look where your at for something that may stick take one please

The pirates treasure is spread around to find gold coins look on the ground go to the big field and you will see coins hidden under a tree! Please take just one

While we are still walking around the ship, check underneath to learn a tip. We all know pirates use swords but all they had left are bright coloured boards

Sadie's well has a beautiful view, this is where you will find your next clue, the pirates are watching take one if you dare, bring back a seashell that is hidden there

Go to the pirate ship for your next clue , the ship has crashed and spilled gems that are blue, look all around the ship on the ground that's where the gems can be found

When u finish your hunt return to the rec hall
