

Go to the Tree and you will find something that is Orange and that is round as well.

Now look for something near the back of the house you can use this idaem to swing and hit balls.

Go to the fence next to the Deck and you will find something that you can tipe on and play games too.

Now look for something you can put stuff in it is near the tree near the back of the house.

Then go onto the Deck and you will find something long you can use it to clean up the floor.

Now look for something you kick and it on the deck too.

Now go to the fence conected to the Deck and you will find something round that you can bonce.

Now come to Shadae and she will tell you if your 1st 2nd or 3rd and even 4th and she will tell you what to do next

Now go to something and its a rectangle too underneath you find what your looking for.

Hope you had fun :)
