

Find a seed hanging from a tree.

Find the Guinea Fowl - She helps eat unwanted bugs like ticks. Hint: You will probably find her near the woods.

Find the Chicken Coop (the chickens lay their eggs in here and sleep here).

Find the water pump that supplies water for the whole farm. Hint, there are 2, one is old, one is new

Find the piece of equipment the farmer uses to mow his field

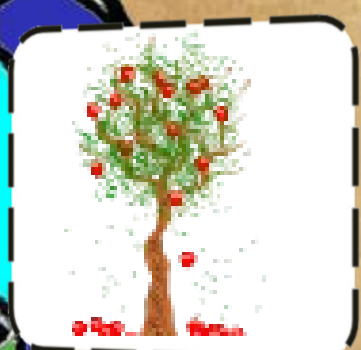

Catch a grass hopper and bring it to the baby broiler chickens to snack on.

Find the baby broiler chickens. (Chickens that we will eat some day)

Find a bird feather. It can be any kind of feather.

Find 2 apple trees.

Find the place where the cattle drink water. Remember: Don't touch the electric fence!
