

You drink me mostly in the mornings. I go inside a bowl when you eat it at breakfast.

You can get this in the market. You can even use this to bake.

You use something similar to make a delicious treat.

You can add me to make your treat a sweet one.

You can put me in a cup or make something that the shape of a ---e.

You can also add me to your treat, I come in different flavors.

What other treats can you add to your creation, that is colorful and very small?

You can make this big or small but at the end you will enjoy.

Fun , fun , fun . You are getting close . Finish this and you can enjoy the great treat your waiting for.

Have you figured out yet? It's a treat you enjoy in a very hot summer day. It comes in many different flavors. Enjoy!!!
