

Find the keys that go to the Ford Escape in a kitchen drawer

Try and get people to name what animal you are without you making a sound. You each must complete this and write it down.

Go to Aly and guess her number 1-100. Write it on the left.

Drink a cup of water as fast as you can keep the cup.

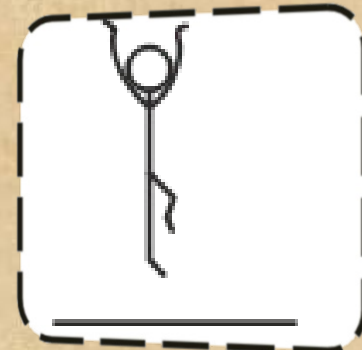

Do five jumping jacks in front of the fireplace.

Run around the block and bring back one cool rock.

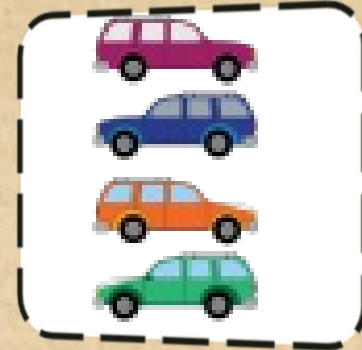

Go upstairs and get a stuffed animal from the Aly's room. Don't lose that stuffed animal.

Take turns jumping 20 times on the trampoline.

Go back downstairs and sing a children song that you know to Leah

Now use the keys and open the Ford Escape.
