

My sandy shores can offer you a safe place to play. but watch out, my water can be quite cold in may!

If your clothes are dirty bring them to me, i'll give them a spin just wait and see

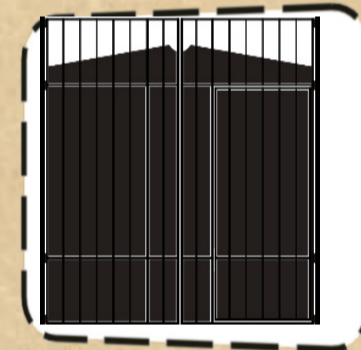

If you want something cold to drink come find me, my colors change from week to week.

Your sure to visit me if BINGO is your game, a picnic on my tables will surley make your day.

Come on in its always nice and cool, i am the perfect place to shoot some pool.

If you jump into me you'll be sure to cool off,im fun when your by yourself or with a mate, just please make sure you close the gate.

I have a basket on me, games your sure to see. Don't forget your ball or playing won't be fun at all.

Your and raise me up or pull me down, my stars and strips can be seen from all around.

I am big and yellow and by the lake all your paper and plastic here you take.

I am made of wood and perfect for a shady picinc snack, under my roof you'll have lots of fun and are sure to come back.
